**CA' DEL BOSCO FRANCIACORTA CUVÉE ANNAMARIA CLEMENTI RISERVA ROSÉ 2008**

Ten-year-old sparkling rosé sounds totally crazy, but this has stunning freshness for its age and all those years have worked a miracle with what used to be grapes, to create something that tastes timeless. The fruit aromas have something to do with nectarines, red berries and blood oranges, but none of these descriptors is adequate to describe this unique taste experience. Drink now.
